Art Unit: 3624

1. Applicant and the assignee of this application are required under 37 CFR 1.105 to provide the following information that the examiner has determined is reasonably necessary to the examination of this application.
2. The information is required to identify products and services embodying the disclosed subject matter of claims 15-23 and identify the properties of similar products and services found in the prior art. If a working model is available, the applicant is requested to submit the functional software.
3. In response to this requirement, please state the specific improvements of the subject matter in claims 15-23 over the disclosed prior art and indicate the specific elements in the claimed subject matter that provide those improvements.
4. The fee and certification requirements of 37 CFR 1.97 are waived for those documents submitted in reply to this requirement. This waiver extends only to those documents within the scope of this requirement under 37 CFR 1.105 that are included in the applicant's first complete communication responding to this requirement. Any supplemental replies subsequent to the first communication responding to this requirement and any information disclosures beyond the scope of this requirement under 37 CFR 1.105 are subject to the fee and certification requirements of 37 CFR 1.97.
5. The applicant is reminded that the reply to this requirement must be made with candor and good faith under 37 CFR 1.56. Where the applicant does not have or cannot readily obtain an item of required information, a statement that the item is
